PERSONAL UTILITY DATA FOR:

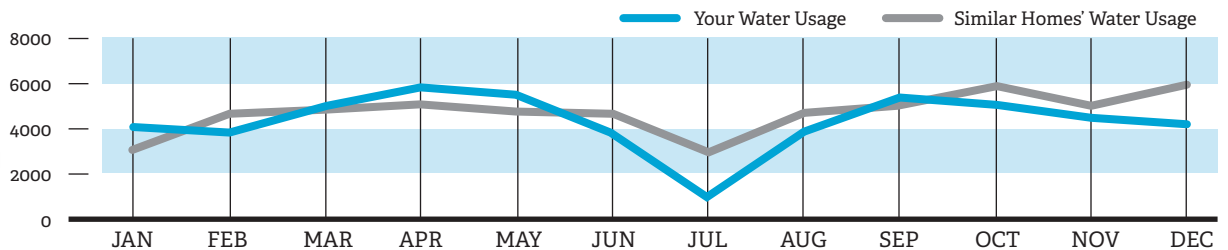

Penny Watts 123 Pickle Street, Testville, WI 54241

We've prepared this personalized report to help you understand your energy usage and how it compares to similar-sized homes in your community.

ELECTRIC USAGE (in KWh)

WATER USAGE (in cu. ft.)

HOW DOES YOUR USAGE COMPARE?

IF YOU ARE LOWER THAN AVERAGE...

Good job! You're on the right track.

IF YOU ARE HIGHER THAN AVERAGE...

There may be items in your house that cause your usage to be higher such as electric water heaters, electric space heaters, etc. Check out testvilleutilities.com or give us a call to learn how to reduce your usage.
