

# FORTY & FORWARD

BOARD OF DIRECTORS & ANNUAL MEETING

THURSDAY, SEPTEMBER 17, 2020

9 A.M. – 12:30 P.M. CST

MEETING TO BE HELD USING GOTOWEBINAR

In the four decades since WPPI Energy members created our joint action agency, they have successfully confronted adversity together time and time again. From winning the right to develop their own power supply to building advanced technologies and services, locally owned member utilities of WPPI have proven the power of their shared expertise and unity of purpose. Now, as we all face unprecedented times, we are reminded that working together makes us stronger.

We hope you will be able to attend this year's annual gathering of members and staff virtually to engage on industry issues, the state of our joint action agency and celebrate the 40th year of being stronger together.
