

# Educational Webinar: *Utility Emergency Response Plans*

**Wednesday, November 11**

**1:30 p.m. - 2:30 p.m. CST**

When did you last review your utility's emergency response plan? Chris Chartier, Director of Distribution Services, and Valy Goepfrich, Senior Vice President of Power Supply, will discuss emergency procedure best practices on a local utility level as well as emergency procedures within the broader context of WPPI Energy and MISO.

## Agenda

- Generation emergency
  - > Big picture
  - > WPPI & member actions
- Preparing for an emergency
- Key takeaways

## Speakers

### Valy Goepfrich

Senior Vice President  
Power Supply

### Chris Chartier

Director of Distribution  
Services
