June: Hometown Service

Post copy: Hometown service from your neighbors at [Utility Name]. We live here. We work here. We volunteer here. Both in and out of the utility office, our dedicated and knowledgeable staff strive for the complete satisfaction of every customer. After all, you're not just a customer to us. You're also our neighbor.

June: Summer Energy Tips

Post copy: There are many ways to stay cool and keep your energy costs under control this summer. A good start is to keep your air conditioner maintained and replace its filter when it gets dirty. Keep the sun's warmth out of your house during the day by closing blinds and shades, set your thermostat to at least 76 degrees and use ceiling fans to keep cool. Stay cool this summer and contact us for more ways to save.

June: Storm Safety

Post copy: Summer storms can create hazardous situations. If you see a downed power line, first call 911 and then call us. Keep all people and pets at least 20 feet away from the area. Our local crew will ensure the area is safe and work to restore service as quickly as possible. In the event of a power outage, give us a call right away.
