YOUR FEEDBACK:

UTILITY TO SURVEY RESIDENTIAL CUSTOMERS

Residential customers may receive a letter in April, asking for their feedback about the quality of customer service the utility provides.

The utility encourages customers to participate in the survey, which will take approximately 10 minutes to complete online. Dieringer Research Group of Brookfield, Wis., will mail a letter to randomly selected customers, which will include a website link to the survey. All responses will remain confidential. Serving our customers well is our top priority. Your feedback is appreciated.
